Dear Mr. Logue:

Subject: Mass. R-35

Amendatory Application for Loan and Grant

We are pleased to advise you that an amendatory allocation order has been executed which authorizes the revision to your existing Contract for Loan and Grant. Subject to your execution of an amendatory contract, this amendatory allocation order will increase the amount of capital grant authorization by \$5,750,660 to a total of \$33,957,391 and increase the Project Temporary Loan by \$5,750,660 to a total of \$43,542,391.

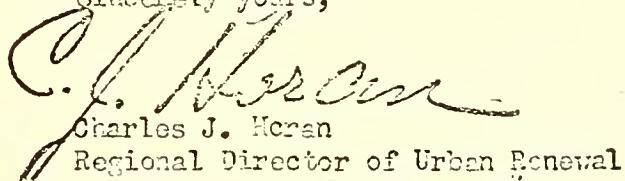

We anticipate forwarding to you within a few days a proposed amendatory Title I financing contract which will change the contract amounts to conform to the new allocation.

Enclosed are Forms H-6200, Project Cost Estimate and Financing Plan, and H-6220, Project Expenditures Budget, containing the accepted cost estimates and financing plans and the approved budget with an explanation of differences between requested and approved amounts.

Our approval of the project expenditures budget constitutes a concurrence in your incurring costs in conformity with such budget from the date of the letter.

We trust this new amendatory contract will contribute materially to your success in carrying out this worthwhile project for the City of Boston.

Sincerely yours,

Charles J. Horan
Regional Director of Urban Renewal
